Description of Building or Site (Original and Present)

___ 2 ___ Stories ___ 3 ___ Front Bay

Structure is a three story masonry structure with a front to back gable roof. In the rear of the structure there is a two story masonry addition that has a rear pitched shed roof. At the front of the building, ornate cornice work and detailed framing adorn the area between the first and second stories of the building. The roof is clad with asphalt three tab shingles and the windows are one over one wooden and vinyl double hung units replacement. The foundation is sandstone.
