CITY TO HOLD SUMMER EVENTS PRESS CONFERENCE

Wheeling, WV – The City of Wheeling will host a press conference to announce the 2012 Summer Events Calendar on Friday, April 27, at 10 a.m. at Wheeling Heritage Port Amphitheater.

JPMorgan Chase will be a corporate sponsor of the events for the fifth consecutive year.

Ohio Valley residents will also play a part in creating this summer's events calendar. Residents will help to choose the Riverfront Movie Nights line-up by participating in an online survey. The poll – housed at <http://www.surveymonkey.com/s/2F8XYV2> – will be available this week on the City's website and Facebook page. Residents can also share the link via Facebook and email.

Voting for Riverfront Movie Nights closes on Friday, April 20, at midnight. The movie selections, along with the full schedule of events, will be announced at the press conference on April 27.
