

Application for Accessory Parking within 250' of a Business

Applicant is the owner of the real property identified below. Applicant is intending to allow parking for _____ vehicles on property that does not contain the business, but is within 250' of the business as required in §9.01.B.5. The applicant understands that in order to get authorization for a "Certificate of Zoning Compliance" the applicant must agree that this binds the owners and his heirs, successors that the parcels will be sold contiguously and not individually and assigns to maintain the required number of parking spaces available throughout the life of the use. Applicant further acknowledges that by signing this document, the applicant understands the on-going need to obtain a certificate of zoning compliance and/or a building permit.
