### A Fond Farewell to WFD Headquarters in Center Wheeling

*We said goodbye to our Market Street home with a final meal on Wednesday, February 14. Former Fire Chiefs Steve Johnston and Larry Helms, along with Sherry Sligar – wife of the late Chief Cliff Sligar and current Chief Jim Blazier gathered one final time for a photo behind the ‘chief’s desk.’ WFD headquarters opened in the bottom level of the Center Wheeling parking garage in 1978. WFD HQ temporarily relocated to the city-county building for several weeks and then to the former BG J. Sumner Jones Armory in Clator as we await the completion of new fire headquarters in East Wheeling.*
