SAY HELLO TO INDY!

On November 9, The Wheeling Fire Department announced a new method when investigating fires by introducing the newest member of its team – Indy, the department’s first accelerant detection canine.

Indy will work side-by-side with Lt. Landis and the department’s Bureau of Fire Investigations anytime a fire occurs in the city and the subsequent investigation that typically follows. Indy’s recent training included scenario-based situations inside buildings, vehicles, and outside areas.

ANNUAL MEMORIAL

Wheeling Firefighters Local 12 held its annual Fallen Firefighter Memorial on Saturday, October 29 at the Fallen Firefighter Memorial, located in front of WesBanco Arena.

The short and solemn ceremony remembers and honors the 10 firefighters whose lives were lost in the line of duty at WFD.

FALL FIRE REPORT

WFD responded to several fires during the fall months. Most were determined to be accidental, with some still under investigation.
