North Park House Fire

Shortly before 8 p.m. Friday, the Wheeling Fire Department was dispatched to 2 Hawk Court in the North Park neighborhood after neighbors called 911 to report a house on fire.

When the first engine company arrived, smoke could be seen coming from the roof area. Entry was made and firefighters attacked the flames both inside and outside the house.

Nobody was home when the fire started and no one was injured. The house does appear to be destroyed.

Fire investigators will work to determine a cause. WFD Engine Co. 2 and 5, Ladder 1, Rescue 1 and Squad 1 all responded to the fire.
