FOR IMMEDIATE RELEASE  
January 29, 2019

## North Wheeling House Fire

This morning around 3:33 a.m., the Wheeling Fire Department was dispatched to 637 Market Street in North Wheeling for a house on fire.

When the first engine company arrived, heavy smoke and fire was visible from the first floor of the house.

One of the occupants had to be rescued by firefighters from a second story window. A second occupant was able to escape. Both were taken to Ohio Valley Medical Center for smoke inhalation.

Nobody else was injured, however a pet dog died in the fire.

Fire investigators will work to find a cause. National Road was closed for a few hours during the incident.
