East Wheeling Shooting Investigation

FOR IMMEDIATE RELEASE

April 30, 2019

One person is recovering from non-life-threatening injuries after a shooting inside a house today in the 100 block of 15th Street. Police received a 911 call around 1:30 a.m. about a person injured needing medical treatment.

Officers talked with numerous people on scene and in the area, who heard gunshots and called 911. Officers also responded to a call of shots fired in the same area around 11:30 p.m. One person saw a man run from the area; however, officers were unable to locate any evidence of a shooting.

Detectives were called to process the scene to collect evidence. No arrests have been made and the case is still under investigation.

The male victim was taken to Ohio Valley Medical Center to be treated for his injuries.
