Wheeling Planning Commission to Conduct Meeting Virtually

WHEELING, W.VA. – In light of the COVID-19 pandemic and the government Orders restricting gatherings, the Wheeling Planning Commission’s upcoming meeting will be held virtually and not in City Council Chambers where they are usually conducted.

Slated for 5 p.m., Monday, April 6, the web meeting will be live streamed on the *Wheeling WV City Government* Facebook page.

Assistant Director of Economic & Community Development Tom Connelly explained the public will still have the opportunity to observe the proceedings and provide input where appropriate.

“All meeting materials and staff reports are available from the News & Notifications button found on the bottom right of City’s website at wheelingwv.gov,” he said.

Connelly noted that Item 3.1 on the agenda, Zone Change Request for 102 Carmel Road, requires a public hearing. Citizens can offer their comments in four ways:

- Email Connelly at tconnelly@wheelingwv.gov up until 4 p.m., Monday.
- Enter comments into the Facebook live stream beginning at 5 p.m.
- Mail written comments via U.S. mail to Connelly at 1500 Chapline St., Wheeling, WV 26003, ensuring arrival by Monday.
- Call into the Zoom meeting by dialing (646) 558-8656, enter Meeting ID 651 939 471 and follow the prompts.

Connelly said the other two agenda items are not public hearings, so comments will not be taken, however citizens are still able to observe the proceedings as with any public meeting.
