**Wheeling Planning Commission to Conduct Meeting Virtually**

**WHEELING, W.VA.** – In light of the COVID-19 pandemic and the government Orders restricting gatherings, the Wheeling Planning Commission’s upcoming meeting will be held virtually and not in City Council Chambers where they are usually conducted.

Slated for 5 p.m., Monday, May 11, the web meeting will be live streamed on the *Wheeling WV City Government* Facebook page.

Assistant Director of Economic & Community Development Tom Connelly explained the public will still have the opportunity to observe the proceedings; however; none of the agenda items have a public hearing component.

“All meeting materials and staff reports are available next to the May 11, 2020 Planning Commission entry of the monthly Meeting Calendar found on the City’s website at [wheelingwv.gov/meetings](http://wheelingwv.gov/meetings),” he said.
