**Utility Work Impacting City Communications**

**WHEELING, W.VA.** – Utility work in the Clator section of Wheeling on Wednesday will impact communications to some City of Wheeling departments.

Beginning at 8:30 a.m. and lasting until the work is completed at approximately 4 p.m., the City’s sanitation, operations, vehicle maintenance and water distribution departments will be without electric, phone, internet and radio service. Calls for sanitation, operations, vehicle maintenance should be directed to 304-234-3731. Those needing to reach water distribution should call 304-234-3835.
