**Wheeling City Council Meetings to Be Held Virtually**

**WHEELING, W.VA.** – In light of the COVID-19 pandemic and the government Orders restricting gatherings, Wheeling City Council’s upcoming meetings will be held virtually until further notice.

The next meeting is slated for noon, Tuesday, April 7. City Clerk Brenda Delbert explained the public will still have the opportunity to observe the proceedings and provide input where appropriate. The meetings will be live streamed on the *Wheeling WV City Government* Facebook page.

“The meeting agenda is available on the City’s website as usual and residents who desire to speak before council will still be able to do so,” she said.

For the public comment portion of the agenda, those desiring to address Council must call 304-551-2151 up until 15 minutes prior to the meeting’s start to sign up to speak. At this time, individuals will provide the City Clerk with a telephone number where they can be reached for the three-minute comment period that will be conducted virtually. The City Clerk will then contact those individuals at the appropriate time in accordance with the agenda. Facebook questions/comments will not be responded to during the meeting.
