DRINKING WATER PROBLEM CORRECTED

2115 – 2243 Chapline Street

Customers of **Wheeling Water** were notified on 9/10/2026 of a problem with our drinking water and were advised to boil water for drinking or bathing.

We are pleased to report that the problem has been corrected and it is no longer necessary to boil water for drinking or bathing.

We apologize for any inconvenience and thank you for your patience.

As always, you may contact the **Water Treatment Plant** at **304-234-3835** or **1551 Richland Avenue, Wheeling, WV 26003** with comments or questions.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by the **City of Wheeling Water Department.**
